

Jeralyn “Jeri” Atleson Republican for Lake County Board, District 10

January 15, 2018

Hello, my name is **Jeri Atleson**. I am running for Lake County Board in District 10 to **cut spending, fight to lower the tax burden, and to be a leader for a better future in Lake County**. I want to take this opportunity to introduce myself to you.

I live in Mundelein with my husband of 16 years and our two young daughters. I am a **CPA** who believes in the value of balanced budgets in my home and from my government.

Our former **Lake County Clerk, Willard Helander**, has given me her **strong endorsement**:

“As your Lake County Clerk for 20 years, I understand the importance of a capable and confident hands-on public servant. That’s why I support Jeri Atleson for Lake County Board. Jeri Atleson understands that speaking with and listening to those impacted is the first step to solving local problems like flooding, better jobs, and affording future taxes. I believe Mundelein mom, Township Trustee, and Certified Public Accountant **Jeri Atleson is the leader for a better future.**”

- Willard Helander, Former Lake County Clerk

Like Willard, I believe we need an advocate that will fight for us, the taxpayer.

In the **March 20th primary**, voters have a **clear choice**:

- **Lifelong Republican**
- **Republican Precinct Committeeman**
- **Elected Fremont Township Trustee That Has Cast NO Votes To Tax Increases**
- **Supports COMMON SENSE Road & Transportation Solutions**
 - **YES to Route 176 Road, Gilmer Road, and 60/83 Improvements**
- **Supports and Will Work to Protect the Environment**
- **Opposes the CURRENT Route 53/120 Expansion**

Although the economy has begun to turn around, Illinois and Lake County have seen a migration of business and people leave our beautiful community. My heart, my family and my spiritual home are here. I am **committed** to this community and to **working tirelessly on your behalf** to help to produce an environment that will be good for businesses to return and to stay, to expand, and to enable us to **create that bright future** we all envision for our **children and grandchildren**.

This is an important time. **I’m asking for your vote on March 20th**. Our future, and that of our children and grandchildren are at stake.

Thank You,

Jeri Atleson

Republican for Lake County Board, District 10

P.S. I want to hear from you! I’ve set up an online survey at Jeri4district10.com/most-important-issues-to-you, so you can tell me your thoughts on the issues facing our District. Be sure to follow me on Facebook, Twitter and Instagram @jeri4district10
